Faculty Disclosure

USF Health adheres to the Accreditation Council for Continuing Medical Education (ACCME) and American Nurses Credentialing Center’s standards regarding commercial support of continuing medical education. It is the policy of USF Health that the faculty and planning committee disclose real or apparent conflicts of interest relating to the topics of this educational activity. That relevant conflicts of interest and any commercial interest (e.g., consultancies, stock ownership or equity interest, patent or license arrangements, speaker or advisory roles) have been reviewed and resolved. Detailed disclosure will be made in the course syllabus.

Accreditation

Physicians: USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. USF Health designates this live activity for a maximum of 12.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Application for CME credit has been filed with the American Academy of Family Physicians (AAFP).

USF Health is pleased to announce that the online activity is available for continuing education credit with the following organizations:

• American Academy of Family Physicians (AAFP)
• American Academy of Physician Assistants (AAPA)
• American Association of Nurse Practitioners (AANP)
• American Nurses Credentialing Center (ANCC)
• American Society of Clinical Pathology (ASCP)
• American Society for Clinical Oncology (ASCO)
• Board of Registry of Dental Hygienists (BRDH)
• Committee on Allied Health Education in Otolaryngology (CAHEO)
• Commission on Accreditation of Allied Health Education Programs (CAAHEP)
• Council on Optometry Continuing Education (COCE)
• Emergency Nurses Association (ENA)
• American Nurses Credentialing Center (ANCC)
• American Osteopathic Association (AOA)
• American Society of Clinical Oncology (ASCO)
• National Academy of Family Physicians (AAFP)
• American Academy of Nurse Practitioners (AANP)

Nurses: ANCC and the American Nurses Credentialing Center (ANCC) are accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. A maximum of 12.25 contact hours may be earned by nurses who successfully complete this continuing nursing education activity.

Advanced Practice Physicians: AAPAP accepts certificates of participation in educational activities accredited by ANCC and all organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 12.25 hours of AMA PRA Category 1 Credits™ for completing this program.

Update in Allergy and Immunology

2016 Symposium & Rhinolaryngoscopy Hands-On Workshop

October 21-22, 2016 • Tampa, FL

www.cme.hsc.usf.edu

USF Health Divisions of Allergy and Immunology (USF HCA) is accredited as a provider of continuing education by the American Nurses Credentialing Center’s Commission on Accreditation. A maximum of 12.25 contact hours may be earned by learners who successfully complete this continuing education activity.

Course Completion Requirements:

1. Complete activity evaluation
2. Download your certificate of completion
The USF Health Divisions of Allergy and Immunology’s 2016 Symposium & Rhinolaryngoscopy Hands-On Workshop Update in Allergy and Immunology will focus on the latest breakthroughs and recommendations regarding the evaluation and treatment of allergic and immunologic disorders, asthma, and COPD. The workshop will provide an overview of the use of fiberoptic rhinolaryngoscopy to evaluate upper airway disease and will provide hands-on training using simulation as well as standardized patients to measure prevention in a safe environment. Upon successful completion of the workshop, participants are expected to obtain a higher comfort level and familiarity with the rhinolaryngoscopic examination of the upper airway.

Target Audience
This program is designed to meet the educational needs of primary care physicians, pediatrics, emergency medicine physicians, allergy/immunology specialists, nurses, physician assistants, advanced nurse practitioners, residents, and any other healthcare practitioners who care for patients with allergic and immunologic disorders. There are two choices for physicians: attend either the full day conference or only the hands-on workshop.

Meeting Location:
Center for Advanced Medical Learning and Simulation (CAMLS) - 5000 E. Fowler Avenue, #827, Tampa, FL 33612 www.cams.usf.edu

Directions: Directions to CAMLS are available at: www.cams.usf.edu

Parking: Parking is available immediately adjacent to CAMLS.

Accommodations:
1. Embassy Suites Downtown Tampa Convention Center
2. Marriott Waterside Downtown Tampa
3. Hilton Downtown Tampa

Meeting Dates:
October 21-22, 2016 - Tampa, Florida

Agenda:
Friday, October 21, 2016
7:00-8:00am Workshop Registration, Breakfast, and Exhibits
8:00-8:50am ALL PARTICIPANTS: Rhinoscopy: Why Is It Necessary to Properly Diagnose Upper Airway Disease?
OPTION I: If you participate in the Hands-On Rhinolaryngoscopy Workshop
9:00-10:00am Workshop: Rhinolaryngoscopy (limited to 12 physicians)

Sunday, October 23, 2016
9:00-9:30am The Most Common Dermatologic Problems Which Present in an Adult Setting - Amieja Dahlan, M.D.
9:30-10:00am Angioedema: Differential Diagnosis and Treatment - Roger W. Forer, M.D.
10:00-10:30am Break and Exhibits
10:30-11:30am Allergic and Mast Cell Disorders, Atopic Diseases and Immunodeficiency
11:30-12:00pm Development of Asthatic Disease: The Critical First Year of Life - Marla Maline, M.D.
12:00-12:30pm Diagnosis of Immunodeficiency Diseases - Julian E. Raffel, M.D., Ph.D.
12:30-1:00pm Lunch and Exhibits
2:00-2:50pm Asthma and COPD
2:00-2:30pm Asthma: Pathogenesis and Diagnosis - Sbiraj C. Mach, M.D.
2:00-3:00pm COPD: Pathogenesis - Mark J. Williams, M.D.
3:00-3:30pm Asthma - COPD Overlap Syndrome (ACOS): What is it and Does It Really Matter?
3:30-4:00pm Break and Exhibits
4:00-4:30pm Do Biomarkers Help Us Treat Obstructive Airway Disease? - Thomas B. Casale, M.D.
4:30-5:00pm Treatment of Asthma and COPD - Britto S. Shahane, M.D.
5:00-5:30pm Comorbid Conditions of Asthma and COPD - Richard F. Lockey, M.D.
5:30-6:00pm Closing Remarks

Saturday, October 22, 2016
7:00-8:00am Symposium Registration, Breakfast & Exhibits
8:00-8:30am Prevention - Panida Sriaroon, M.D.
8:30-9:00am Diagnosis - Mandel R. Sher, M.D.
9:00-9:30am Treatment - Mark C. Glaum, M.D., Ph.D.
9:30-10:00am Gluten Sensitivity and Enteropathy - Panida Sriaroon, M.D.
10:00-10:30am Break and Exhibits
10:30-11:00am History and Evolution of Allergen Immunotherapy - Richard F. Lockey, M.D.
11:00-11:30am Subcutaneous Allergen Immunotherapy - Hugh P. Blomdahl, M.D.
11:30-12:00pm Sublingual Immunotherapy - Deniece L. Lawton, M.D.
12:00-12:30pm Biologics Used to Treat Asthma and Disease - Thomas B. Casale, M.D.
12:30-1:00pm Panel Discussion
1:00-2:00pm Final Symposium Assessment

Payment:
Note: U.S. dollars drawn on U.S. banks or purchase orders payable to USF HPCC.

Professionals & Principals
Residents, Fellows, Students

Physicians $500 $250
ARNP's $300 $150
Fellows N/A $150

Professionals & Principals: Hands-On Workshop + Symposium $750 $375
ARNP's $400 $200
Fellows N/A $200

All fees include the course syllabus, hands-on experience, refreshments, applicable CME, CEU, and state approval certificates. Payment must be received prior to November 21, 2016. The wires must be withdrawn from USF HPCC on or before November 21, 2016. No refunds will be provided for cancellations received after this date. A $35 processing fee will be assessed on all cancellations after November 21, 2016. However, a change in registration may transfer your registration to a colleague.

This program does not require prerequisites. Learning objectives are in alignment with the target audience.

Learning Objectives
As a result of participating in this activity, participants should be able to:
- Recognize the most common dermatologic problems seen in the clinical practice
- Recognize eosinophilic and mast cell disorders
- Evaluate a patient for possible immunodeficiency
- Identify diagnosis and treatment of asthma and chronic obstructive pulmonary disease
- Learn how to diagnose and treat food allergy
- Identify the different forms of immunotherapy and how they should be used to treat allergic rhinoconjunctivitis and atopic asthma
- Perform a diagnostic examination of the upper airway with a fiberoptic rhinolaryngoscope

Announcements:
- All hands-on workshops are available to all participants.
- The USF Health Divisions of Allergy and Immunology Symposium Update in Allergy and Immunology will be held at the USF Morsani Center for Advanced Medical Learning and Simulation (CAMLS).

For disability accommodations contact the Office of Continuing Professional Development—(813) 274-1645.

The Office of Continuing Professional Development at USF reserves the right to cancel this program due to unforeseen circumstances or in the event of an evacuation, but will make every effort to return the registrant's registration fee. If you require accommodation due to a disability, please contact the Office of Continuing Professional Development at least 60 days prior to the program date.

For more information, please visit www.camls-usf.org.

Faculty Disclosure
USF Health adheres to the Accreditation Council for Continuing Medical Education (ACCME) and American Nurses Credentialing Center’s Commission on Accreditation. It is the policy of USF Health that the faculty and planning committee disclose real or apparent conflicts of interest relating to the topics of this educational activity. Real conflicts of interest are financial interests unrelated to the topics of this educational activity. Apparent conflicts of interest are financial interests related to the topics of this educational activity that may arise from the use of products, devices, or drugs during their presentation. Detailed disclosure will be made in the course syllabus.

Accreditation
Physicians: USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. USF Health designates this live activity for a maximum of 12.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Application for CME credit has been filed with the American Academy of Family Physicians (AAFP).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation in educational activities certified for AMA PRA Category 1 Credits™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 12.25 hours of AMA PRA Category 1 Credits™ for completing this program.

Nurses: ANCC (American Nurses Credentialing Center) USF Health is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. A maximum of 12.25 contact hours may be earned by nurses who successfully complete this continuing nursing education activity.

Advance Nurse Practitioners (ANP APP) accept certificates of participation for educational activities certified for AMA PRA Category 1 Credits™ from organizations accredited by ACCME or a recognized state medical society. Nurse practitioners may receive a maximum of 12.25 hours of AMA PRA Category 1 Credits™ for completing this program.

Course Completion Requirements:
1. Complete activity evaluation
2. Download and print your certificate of completion
The USF Health Divisions of Allergy and Immunology’s 2016 Symposium & Rhinolaryngoscopy Hands-On Workshop Update in Allergy and Immunology will focus on the latest breakthroughs and recommendations in the field. We will evaluate the management of common dermatologic problems, eosinophilic and mast cell disorders, atopic diseases, and suspected immunodeficiency. Other subjects include asthma and COPD, food allergy, and various forms of immunotherapy to treat allergic diseases. The rhinolaryngoscopy workshop will train directions for the use of fiberoptic rhinolaryngoscopy to evaluate upper airway diseases. The workshop provides hands-on procedure training using simulation as well as standardized patients to measure performance in a safe environment. Upon successful completion of the workshop, participants are expected to obtain a higher comfort level and familiarity with the rhinolaryngoscopic examination of the upper airway.

**Target Audience**
This program is designed to meet the educational needs of primary care physicians, pediatricians, emergency medicine specialists, allergy/immunology specialists, nurses, physician assistants, advanced nurse practitioners, residents, and any other healthcare practitioners who care for patients with allergic and immunologic disorders. There are two choices for physician attendees:

1. To take the hands-on rhinoscopy course followed by the Friday afternoon and Saturday morning course (no AAPM credit possible).
2. For those who do not take the rhinoscopy course, there is a half-day conference on Friday and a half-day conference on Saturday morning.

**Learning Objectives**
As a result of participation in this activity, participants should be able to:

- Recognize the most common dermatologic problems seen in the clinical practice
- Recognize eosinophilic and mast cell disorders
- Evaluate a patient for possible immunodeficiency
- Identify diagnosis and treatment of Asthma and Chronic Obstructive Pulmonary Disease
- Learn how to diagnose and treat food allergy
- Identify the different forms of immunotherapy and how they should be used to treat atopic rhinopathies and atopic asthma
- Perform a diagnostic examination of the upper airway with a laryngoscope

This program does not require pre-approval. Learning objectives are in syllabus and target audience.

**Agenda**

**Friday, October 21, 2016**

7:00-8:00 am  Workshop Registration, Breakfast, and Exhibits
8:00-8:50 am  ALL PARTICIPANTS Rhinoscopy: Why Is It Necessary to Properly Diagnose Upper Airway Disease? (Allergy and Immunology Symposium)

**OPTION I** (for hands on-thrapyanscopy Workshop)

9:00-10:00 am  Workshop: Rhinoscopy (limited to 10 physicians)

**OPTION II** (for active participants who do not participate in the hands-on rhinoscopy workshop)

9:00-9:30 am  The Most Common Dermatologic Problems Which Present in an Office Setting
9:30-10:30 am  Angioedema: Differential Diagnosis and Treatment - Roger W. Fox, M.D.
10:00-10:30 am  Break and Exhibits
10:30-12:00 pm  Pulmonary and Mast Cell Derivatives, Allergic Diseases and Immunodeficiency
11:30-12:30 pm  Development of Allergic Disease: The Critical First Year of Life - Marc Balne, M.D.
12:30-12:30 pm  Diagnosis of Immunodeficiency Diseases - Julian E. Rafter, M.D., Ph.D.
12:30-1:30 pm  Questions and Answers
1:00-2:00 pm  Lunch and Exhibits
2:00-2:00 pm  Asthma and COPD
2:30-3:00 pm  Asthma: Pathogenesis and Diagnosis - Seong H. Cho, M.D.
2:30-3:00 pm  COPD: Pathogenesis - Mark Z. Punjabi, M.D.
3:30-3:30 pm  Asthma - COPD Overlap Syndrome (ACOS): What is it and Does It Really Matter?
3:30-4:00 pm  Break and Exhibits
4:30-4:30 pm  Do Biomarkers Help Us Treat Obstructive Airway Disease? - Thomas B. Casale, M.D.
4:30-5:00 pm  Treatment of Asthma and COPD - Brett E. Stanaland, M.D.
5:00-5:00 pm  Comorbid Conditions of Asthma and COPD - Richard F. Leckey, M.D.
5:00-6:00 pm  Questions and Answers

**Saturday, October 22, 2016**

7:00-8:00 am  Symposium Registration, Breakfast & Exhibits
8:00-9:00 am  Free Airflow
9:00-9:30 am  Prevention - Pamela Stareen, M.D.
9:30-10:00 am  Diagnosis - Mark C. Glaum, M.D., Ph.D.
9:30-10:30 am  Gluten Sensitivity and Enteropathy - Pamela Stareen, M.D.
10:00-10:30 am  Break and Exhibits
11:30-12:30 pm  Immunodeficiency Diseases in Allergy and Immunology
11:30-11:00 am  History and Evolution of Allergen Immunotherapy - Richard F. Lockey, M.D.
11:00-11:30 am  Subcutaneous Allergen Immunotherapy - Hugh R. Blonlden, M.D.
11:30-12:00 pm  Sublingual Immunotherapy - Daniel L. Metz, M.D.
12:00-12:30 pm  Biologics Used to Treat Allergic Diseases and Asthma - Thomas B. Casale, M.D.
12:30-1:30 pm  Panel Discussion
1:00-2:00 pm  Post Symposium Assessment

**Meeting Location:** Center for Advanced Medical Learning and Simulation (CAMLS) located less than a block from CAMLS. The hourly parking is $5. After 5:00 PM, you may park CAMLS via a pedestrian walkway on Franklin Street. The venue entrance to CAMLS is located at the corner of Franklin and Brianer Streets.

**Accommodations:**
1. Embassy Suites Downtown Convention Center
2. Marriott Waterside Downtown Tampa
3. Hilton Downtown Tampa
4. Marriott Courtyard

All hotels are conveniently located in the heart of downtown Tampa and are within a 5 minute walking distance from USF Health Center for Advanced Medical Learning and Simulation (CAMLS).

**Fees:**

At USF Health Divisions of Allergy and Immunology’s Symposium & Rhinolaryngoscopy Hands-On Workshop Update in Allergy and Immunology will focus on the latest breakthroughs and recommendations in the field, providing attendees the opportunity to evaluate the latest diagnostic and therapeutic approaches to the diseases of mast cell disorders, allergic diseases, and suspected immunodeficiency. Other subjects include asthma and COPD, food allergy, and various forms of immunotherapy to treat allergic diseases. The rhinolaryngoscopy hands-on workshop is designed to train clinicians in the use of fiberoptic rhinolaryngoscopy to evaluate upper airway diseases. The workshop provides hands-on procedure training using simulation as well as standardized patients. Upon successful completion of the workshop, participants are expected to obtain a higher comfort level and familiarity with the rhinolaryngoscopic examination of the upper airway.

Target Audience
This program is designed to meet the educational needs of primary care physicians, pediatricians, emergency medicine physicians, allergy/immunology specialists, allergy/immunology specialists, nurses, physician assistants, advanced nurse practitioners, residents, students and any other healthcare practitioners who care for patients with allergic and immunologic disorders. There are two choices for physicians attendees:

1. To take the hands-on rhinoscopy course followed by the Friday afternoon and Saturday morning conference (10 CME credits only)
2. For those who do not take the rhinoscopy course, there is a half-day conference on Friday and a half-day conference on Saturday morning.

Learning Objectives
As a result of participating in this activity, participants should be able to:
- Recognize the most common dermatologic problems seen in the clinical practice
- Recognize eosinophilic and mast cell disorders
- Evaluate a patient for possible immunodeficiency
- Identify diagnosis and treatment of Asthma and Chronic Obstructive Pulmonary Disease
- Learn how to diagnose and treat food allergy
- Identify the different forms of immunotherapy and how they should be used to treat atopic rhinoconjunctivitis and allergic asthma
- Perform a diagnostic examination of the upper airway with a rhinolaryngoscope

The program does not require prerequisites.

1. Register online: www.cme.hsc.usf.edu
2. Call: (800) 852-5362
3. Fax: (813) 224-7864
4. Mail form and payment to: USF HPCC - Office of Continuing Professional Development
PO Box 626532
Tampa, FL 33626-6253

Meeting Location:
Center for Advanced Medical Learning and Simulation (CAMLs)
206-209 S. Franklin Street
Tampa, FL 33602
(813) 974-7000
www.camlst-us.org
Directions: Directions to CAMLS are available at www.camlst-us.org.
Parking:
We recommend parking in the Fort Brooke Garage off Whiting Street at 107 S. Franklin Street, located less than a block from CAMLS. The activity rate is currently $6.00 and the maximum per day rate is $15.00. After parking, you may reach CAMLS via the pedestrian walkway on Franklin Street.
The same entrance to CAMLS is located at the corner of Franklin and Straz Streets.

Accommodations:
1. Embassy Suites Downtown Convention Center
2. Marriott Waterside Downtown Tampa
3. Hilton Downtown Tampa
4. Marriott Courtyard

All hotels are conveniently located in the heart of downtown Tampa and are within a 5 minute walking distance from USF Health Center for Advanced Medical Learning and Simulation (CAMLs).
Update in Allergy and Immunology 2016 Symposium & Rhinolaryngoscopy Hands-On Workshop
October 21-22, 2016  •  Tampa, FL

Accreditation
Preceptors: USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. USF Health designates this live activity for a maximum of 12.25 AMA PRA Category 1 Credits™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity. Application for CME credit has been filed with the American Academy of Family Physicians (AAFP). Physicians may receive a maximum of 12.25 hours of AMA PRA Category 1 Credits™ for completing this program.

USF Health is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. A maximum of 12.25 contact hours may be earned by learners who successfully complete this continuing nursing education activity.

Advanced Practice Nurses (APNs) may receive certificates of participation for educational activities certified for AMA PRA Category 1 Credits™ by organizations accredited by the American Academy of Nurse Practitioners (AANP). Nurse Practitioners may receive a maximum of 12.25 hours of APN Category 1 Credits™ for completing this program.
