ADDRESSING COVID-19

CAMLS is committed to providing a safe environment that aligns with expert protocols for providing effective educational programs during the COVID-19 crisis. Guided by healthcare experts in infection prevention, our team is redefining our meeting and simulation practices to provide you with the best experience possible.

Communicable Disease Advisory Committee

A dedicated committee of healthcare professionals to guide all decisions to ensure activities follow best practices and CDC, Florida Department of Public Health, local and state guidelines.

Physical Distancing and Conference Planning

Our coordinators will work with you to verify all space layouts meet guidelines required by the Communicable Disease Advisory Committee.

Video Technology Options

Our experts in instructional design and digital technology can assist you in identifying the best methods for reaching your audience on site and/or remotely.

Disinfectant Efforts

USF Health CAMLS' housekeeping crew has escalated our high cleaning standards to keep your learners and our team members healthy and safe.

CAMLS Community and Team Member Health

Working together with our infectious disease professionals, USF Health CAMLS continues to provide quality education opportunities and simulation training to healthcare providers and the community.

CBK Catering & Events

On-site exclusive catering partner, CBK, has taken additional steps to ensure a safe work environment and are in compliance with all local, state, and federal guidelines.

Hotel & Travel Partners

Our partners, Hilton Tampa Downtown and Tampa International Airport, have strict new protocols to keep all travelers safe.

Support USF Health CAMLS

Through the development of simulation programs, USF Health CAMLS has provided just-in-time training to give nurses and physicians the confidence they need to face the current challenges of delivering care in a safe and effective manner.
